

ABAC

Tools and accessories
for DIY and Hobby applications

ABAC. Air. Anytime. Anywhere

We are a leading company in compressed air solutions, providing the best compressors, tools and air distribution systems to fulfill even your most demanding needs.

Committed to quality, reliability and simplicity, we want to make your life easier with solutions that you can trust and rely upon every day.

From oil injected screws to mobile piston compressors, from professional inflating guns to a full range of impact wrenches, ABAC will be the perfect partner to achieve your goals, be it boosting the business or fulfilling an hobbyist dream.

Millions of professionals worldwide have chosen us to get the job done. Join the ABAC experience.

ABAC is committed to support all your air requirements. We help you in producing, distributing and using compressed air with a wide range of machines.

We provide reliable and efficient piston and oil injected screw air compressors in multiple configurations, tailored on your needs.

There are crucial elements to consider when you have to deal with compressed air.

One of the most important is maintaining the right quality of air during the entire chain.

By selecting ABAC products you will be able to keep your air clean, avoiding any contamination to come in contact with your business.

Ensuring consistent air delivery in each area of your workplace is fundamental to improve efficiency and results. If you are looking for stability, smart connections, leak-proof and corrosion-free pipings you can rely on AIRnet, the most effective solution for your air network. Its fast and easy installation gets your operations up and running in record time.

Compressed Air has numerous, different applications: this is why ABAC Professional Air Tools are engineered to meet the most tough, sturdy, complex demands of your business. Durable technology and high-quality materials are the main features of our tools range and guarantee lifetime value as well as the maintenance of performances.

Pneumatic tools

Impact Wrench Kit 1/2"

Solid impact wrench for several DIY and semi professional applications such as tire changing on cars

Complete kit with accessories in plastic case

4 different torque setting

Easy to handle forward --/ reverse switch

Technical data symbols

Pressure in bar

Air displacement

Weight in kg

Dimensions in mm

Price in Euro

User friendly operation

due easy to reach F/R switchn

Robust metal housing

Rubber handle cover

isolates and provides more grip

Torque adjustment knob

reduces the torque in 4 steps

Model	Part number	Socket (square)	Working torque Nm	Bar	l/sec	kg	mm	€
Impact Wrench Kit 1/2"	2809913105	1/2"	345	6,3	4	2,2	180 x 63 x 190	

Impact wrench Kit 1/2" PRO

Robust impact wrench for several semi-professional applications such as tire changing on cars and vans

Powerful twin-hammer impact system
Complete kit with accessories in plastic case
6 different torque setting
Easy to handle forward- / reverse switch

Model	Part number	Socket (square)	Working torque					
			Nm	Bar	l/sec	kg	mm	
Impact wrench Kit 1/2" PRO	2809913106	1/2"	500	6,3	4	2,6	185 x 185 x 70	

Ratchet Wrench Kit 1/2"

Solid ratchet wrench for several semi professional screwing applications such as car repair

Complete kit with accessories in plastic case
Rubber handle cover isolates, reduces vibrations and provides more grip
Easy to handle forward --/ reverse switch on the ratchet head

Model	Part number	Socket (square)	Working torque					
			Nm	Bar	l/sec	kg	mm	
Ratchet Wrench Kit 1/2"	2809913153	1/2"	68	6,3	1,3	1,2	238 x 41 x 55	

Drill kit

Reversible drill for several DIY and semi professional applications such drilling and screwing in different materials

Complete kit with accessories in plastic case
Rubber handle cover isolates, reduces vibrations and provides more grip
Keyless chuck

Model	Part number	Drill chuck	Revolution per minute					
		mm	RPM	Bar	l/sec	kg	mm	
Drill kit	2809913191	10	1.800	6,3	1,8	1,1	200 x 48 x 185	

Die grinder kit

Compact Die grinder for several DIY and semi professional applications such as grinding and deburring.

Complete kit with accessories in plastic case
 Rubber handle cover isolates, reduces vibrations and provides more grip
 Variable, can be used with 3 & 6mm shaft grinding stones

Model	Part number	Collet size mm	Revolution per minute RPM	max Bar	l/sec	kg	mm	
Die grinder kit	2809913205	3 & 6	25.000	6,3	1,5	0,5	172 x 40 x 30	

Angle grinder

Compact angle grinder for several DIY and semi-professional applications such as grinding, sanding and deburring

For use with 125mm grinding and cutting discs
 Side handle for safe handling
 Protection shield can be mounted in different positions to protect the user in best way

Model	Part number	Disc size mm	Revolution per minute RPM	Bar	l/sec	kg	mm	
Angle grinder	2809913206	125	10000	6,3	4	1,44	215 x 175 x 95	

Orbital sander 125 mm

Compact orbital sander for several DIY and semi-professional applications such as sanding fences, garden house or furniture

Quick work progres
 Sanding pad with touch fastener
 Low dust formation
 Rubber handle cover isolates, reduces vibrations and provides more grip

Model	Part number	Sanding pad mm	Revolution per minute RPM	max Bar	l/sec	kg	mm	
Orbital sander 125 mm	2809913252	125	10.500	6,3	3	0,9	220 x 125 x 111	

Combi nailer for staples and brad nails

Combination nailer for several DIY and semi professional applications such as furniture production, flooring and modelling

Suitable for brad nails and staples
Adjustable impact depth
Safety use

Model	Part number	Staple / nails lenght mm	Crown width mm	 Bar	 I/stroke	 kg	 mm	
Combi nailer for staples and brad nails	2809913300	15 -32	5,7	4-7	0,8	1,4	248 x 226 x 57	

Stapler

Stapler for wide crown staples for several application such as fix foils at the ceil construction or leather and fabric at the furniture production

Suitable for staples with 12,8mm crown size
Compact and light weight design
Comfortable storing in a plastic box

Model	Part number	Clamp length mm	Crown width mm	 Bar	 I/stroke	 kg	 mm	
Stapler	2809913301	6 - 16	12,8	4-7	0,5	0,85	211 x 45 x 145	

Chisel hammer

Light weight chisel hammer for several DYI applications such as tiles and plaster removal

Complete kit with accessories in plastic case
Adaption of impact power
Rubber handle cover isolates, reduces the vibrations and provides more grip

Model	Part number	Strokes per minute -1/min	Chisel size (round shaft) mm	 max Bar	 I/sec	 kg	 mm	
Chisel hammer	2809913402	4.500	10	6,3	1,3	1,3	195 x 48 x 148	

Chisel hammer PRO

Chisel hammer for several DIY and semi professional applications such as tiles and plaster removal

Complete kit with accessories in plastic case

Hexagonal chisel shaft

High impact power

Adaption of impact power

Rubber handle cover isolates, reduces the vibrations and provides more grip

Model	Part number	Strokes per minute -1/min	Chisel size (hexagonal) mm	 max Bar	 l/sec	 kg	 mm	
Chisel hammer PRO	2809913403	4.500	10	6,3	1,3	1,3	185 x 55 x 148	

Air grease gun

Greasing gun for different maintenance application on cars and trucks, agriculture and on production lines

Universal use

3 different ways of loading

Fast and easy greasing without manual efforts

Model	Part number	 max Bar	 l/min	 kg	 mm	
Air grease gun	2809913701	6,3	100	1,6	410 x 60 x 155	

Air & Spray guns

Paint spray gun with gravity cup

Semi-professional paint spray gun for application which requires a good finishing

Stainless steel nozzle

Smooth and wide spray jet

Adjustable parameter for different applications

Technical data symbols

Pressure in bar

Air displacement

Weight in kg

Dimensions in mm

Price in Euro

Precise spray pattern

due to good processed nozzle

Stainless steel nozzle

suitable for water based paints

Adjustable paint flow

Round / flat spray jet adjustment

Mini pressure regulator

for precise adjustment of the air pressure

Model	Part number	Cup capacity l	Nozzle diameter mm	max Bar	l/min	kg	mm	
Paint spray gun with gravity cup	2809913544	0,6	1,5	4	160	0,7	170 x 108 x 310	

Air Gun

Standard air blowing gun for multiple application such as dedusting, drying and cleaning

Robust aluminium housing

		Nozzle diameter					
Model	Part number	mm	max Bar	l/min	kg	mm	
Air Gun	2809913500	2,0	8	125	0,2	125 x 18 x 170	

Air Gun

Standard air blowing gun for DIY application such as dedusting and cleaning

Robust aluminium housing

Extension pipe

		Nozzle diameter	Pipe length					
Model	Part number	mm	mm	max Bar	l/min	kg	mm	
Air Gun	2809913501	2,0	100	8	125	0,15	210 x 18 x 170	

Air Gun

Light weight air blowing gun for multiple application such as dedusting, drying and cleaning

Light weight and isolating housing

Long nozzle

		Nozzle diameter	Pipe length					
Model	Part number	mm	mm	max Bar	l/min	kg	mm	
Air Gun	2809913502	3,8	100	8	125	0,15	127 x 20 x 260	

Sand blasting gun with suction cup

Standard sand blasting gun for DIY application such as rust and paint removal

6mm nozzle for use of standard abrasive agent with grid size 0,2 0,8mm

Light and compact design

		Nozzle diameter	Suitable for granulate					
Model	Part number	mm	mm	max Bar	l/min	kg	mm	
Sand blasting gun with suction cup	2809913580	6	0,2 - 0,8	8	92	0,75	145 x 118 x 265	

Sand blasting gun with dip tube

Standard sand blasting gun for DIY application such as rust and paint removal

6mm nozzle for use of standard abrasive agent with grid size 0,2-0,8mm
Suitable for big surfaces

Model	Part number	Nozzle diameter mm	Suitable for granulate mm	max Bar	l/min	kg	mm	
Sand blasting gun with dip tube	2809913581	6	0,2 - 0,8	8	160	1,0	220 x 39 x 170	

Tire inflator

Standard tire inflator for DIY application such as inflating of car & bike tires, balls and dinghies

3 pcs adapter kit
Manometer scale in bar and PSI

Model	Part number	Gauge diameter mm	Hose lenght mm	max Bar	l/min	kg	mm	
Tire inflator	2809913622	60	400	8	60	0,3	138 x 33 x 230	

Washing gun

Spraying gun for different application such as cleaning, oiling, decreasing and garden application

Adjustable spray jet
900ml aluminium tank

Model	Part number	Nozzle diameter mm	Tank capacity ml	max Bar	l/min	kg	mm	
Washing gun	2809913570	4,5	900	8	130	1,0	160 x 105 x 400	

Wax & undercoat spray gun

Spraying gun for car application such as anti noise treatment or body-cavity seal

Suitable for standard 1l cans with 40mm thread
Injection probe with four side spray orifice for use in tighten places of car body
Multi purpose spray gun

Model	Part number	Probe lenght m	Can thread mm	Bar	l/min	kg	mm	
Wax & undercoat spray gun	2809913571	0,5	40	5	130	0,5	280 x 46 x 170	

Air/water gun

Watering gun for DIY application such as car or bike cleaning and garden application

Pressurized water flow

Adjustable spray jet

13mm standard garden hose connection

		Nozzle diameter	Water hose connection					
Model	Part number	mm	mm	max Bar	l/min	kg	mm	
Air/water gun	2809913572	4,5	13	4	120	0,5	125 x 18 x 170	

Paint spray gun with gravity cup

Standard paint spray gun for DIY application such as painting fans, garden gate or furniture

Adjustable spray jet

Adjustable paint and air supply

		Cup capacity	Nozzle diameter					
Model	Part number	l	mm	max Bar	l/min	kg	mm	
Paint spray gun with gravity cup	2809913540	0,5	1,5	4	160	0,45	190 x 108 x 330	

Paint spray gun with suction cup

Standard paint spray gun for DIY application such as painting fans, garden gate or furniture

1l paint tank

Adjustable spray jet

Adjustable paint and air supply

		Cup capacity	Nozzle diameter					
Model	Part number	l	mm	max Bar	l/min	kg	mm	
Paint spray gun with suction cup	2809913541	1,0	1,5	4	160	0,6	165 x 110 x 270	

Mini paint spray gun with gravity cup

Mini paint spray gun for DIY application such as smart repair work or modelling

Adjustable spray jet

Adjustable paint and air supply

		Cup capacity	Nozzle diameter					
Model	Part number	l	mm	max Bar	l/min	kg	mm	
Paint spray gun	2809913543	0,1	0,8	3	57	0,2	125 x 90 x 230	

Paint spray gun with suction cup PRO

Semi professional paint spray gun for application which requires a good finishing

1l paint container
 Stainless steel nozzle
 Smooth and wide spray jet
 Adjustable parameter for different applications

Model	Part number	Cup capacity l	Nozzle diameter mm	max Bar	l/min	kg	mm	
Paint spray gun with suction cup PRO	2809913545	1,0	1,5	3	160	0,7	190 x 275 x 110	

Plastering spray gun

Plaster spray gun for renovation work

Universal use due to the different nozzle diameter
 Easy to handle

Model	Part number	Funnel capacity l	Nozzle diameter mm	max Bar	l/min	kg	mm	
Plastering spray gun	2809913573	4,5	4,6 & 8	8	250	1,2	234 x 280 x 454	

Airbrush kit

Standard paint spray gun for DIY application such as smart repair spraying and modelling

Adjustable paint flow
 Air can adapter

Model	Part number	Cup capacity ml	Nozzle diameter mm	max Bar	l/min	kg	mm	
Airbrush kit	2809913542	22	0,5	1 - 2	15	0,3	180 x 52 x 110	

Tool kits & Accessories

Tool kit 8 pcs

Tool Kit for several DIY applications such as:

- Inflating of car & bike tires, balls and dinghies
- Painting
- Washing or sanitizing
- Dust removal

Suitable for use with smaller compressors

Technical data symbols

Pressure in bar

Air displacement

Weight in kg

Dimensions in mm

Price in Euro

Model	Part number	 Bar	 l/min	 kg	
Tool kit 8 pcs	2809913655	8	160	0,15	

Inflating kit 5 pcs

Tire inflator kit for several DIY applications such as Inflating of car & bike tires, balls and dinghies

Suitable for use with smaller compressors

					
Model	Part number	max Bar	l/min	kg	
Inflating kit 5 pcs	2809913651	8	60	0,2	

Inflating kit 5 pcs

Inflator kit for several DIY applications such as:

- Inflating of car & bike tires, balls and dinghies
- Inflator gun with rigid pipe especial suitable for use with adapter kits

Suitable for use with smaller compressors

		Nozzle diameter	Pipe lenght				
Model	Part number	mm	mm	Bar	l/min	kg	
Inflating kit 5 pcs	2809913652	2,0	100	8	60	0,28	

Pneumatic tool kit 6 pcs

Tool Kit for several DIY applications such as

- Inflating of car & bike tires, balls and dinghies
- Dust removal

Suitable for use with smaller compressors

					
Model	Part number	max Bar	l/min	kg	
Pneumatic tool kit 6 pcs	2809913653	6,3	100	0,75	

Pneumatic tool kit 8pcs (Blister)

Tool Kit for several DIY applications such as

- Inflating of car & bike tires, balls and dinghies
- Painting
- Washing or sanitizing
- Dust removal

Suitable for use with smaller compressors

					
Model	Part number	max Bar	l/min	kg	
Pneumatic tool kit 8pcs	2809913657	8	160	1,820	

Pneumatic tool kit 8 pcs

Tool Kit for several DIY applications such as:

- Inflating of car & bike tires, balls and dinghies
- Painting
- Washing or sanitizing
- Dust removal

Suitable for use with smaller compressors

Model	Part number	max Bar	l/min	kg	
Pneumatic tool kit 8 pcs	2809913650	8	160	1,850	

Automatic hose reel 6/10-10

Automatic hose reel for comfortable use of pneumatic tools

Safe working area
Wide working rad
Comfortable use due to stop interval of 50 cm

Model	Part number	Hose diameter i/o mm	Hose lenght mm	Bar	kg	
Automatic hose reel	2809913800	6/10	10	7 - 11	3,2	

Automatic hose reel 8/12-9

Automatic hose reel for comfortable use of pneumatic tools

High air flow
Safe working area
Wide working radius
Comfortable use due to stop interval of 50 cm

Model	Part number	Hose diameter i/o mm	Hose lenght mm	Bar	kg	
Automatic hose reel	28099138001	8/12	9	7 - 11	3,3
